So begins the new novel, his first since winning the Nobel Prize, from the universally acclaimed author of *Snow* and *My Name Is Red*. It is 1975, a perfect spring in Istanbul. Once the long-lost cousins violate the code of virginity, a rift begins to open between Kemal and the world of the Westernized Istanbul bourgeoisie world, as he lovingly describes it, with opulent parties and clubs, society gossip, restaurant rituals, picnics, and mansions on the Bosphorus, infused with the melancholy of decay until finally he breaks off his engagement to Sibel. But his resolve comes too late. For eight years Kemal will find excuses to visit another Istanbul, that of the impoverished backstreets where Fsun, her heart now hardened, lives with her parents, and where Kemal discovers the consolations of middle-class life at a dinner table in front of the television....

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
