Any dispensary must have a license and.the person in charge must apply for it in writing to the commissioner, giving accommodations, the nature of the treatment, and the names and addresses of the physicians. The commissioner must satisfy himself as to the truth and satisfactoriness of the application before recommending that a license be granted. Every dispensary must keep a complete record of patients treated, and this must be open for the inspection of the commissioner or his representative. Persons conducting a dispensary are required to report to the department at once by telephone and mail all cases of smallpox, scarlet fever, diphtheria, measles, whooping cough, rabies, cerebrospinal meningitis, gonorrheal ophthalmia, and other markedly contagious or communicable diseases. Furthermore, each licensee must report weekly to the department of health all cases of consumption, typhoid fever, syphilis, and gonorrhea reported to the dispensary, with the names and addresses of the patients. A monthly report must be sent to the department of health showing a complete record of the dispensary during the month and the number of patients and treatments given, with a proper classification of the diseases. Hospitals.---A hospital is defined as a place used for the reception or care, temporary or continuous, of two or more sick, injured or dependent persons, or used for the treatment of two or more persons suffering...
