Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Alight Publications, United States, 2006. Hardback. Book Condition: New. 232 x 167 mm. Language: English . Brand New Book ***** Print on Demand *****.From the stillness of the Himalayan peaks, Yogiraj brings to the thirsty and distressed, a message of healing and peace. Follow the footsteps of a Yogi and experience through his words, as he walks his talk in the jungles, temples, ashrams and hidden [to the uninitiated] places of India. Enrich your life with the secret oral traditions revealed for the first time - mysteries of life, immortality, and Self-Realization. Not since the Autobiography of a Yogi, written over 60 years ago, has a Master brought the message of Mahavatar Babaji to the world for a new millenium. The author details his remarkable experiences with Babaji, insights on Kriya Yoga, healing, the spiritual hierarchy, supra-conscious states of yoga, meetings with great beings, and his mission.
