John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Traditional Witchcraft for the Seashore, Melusine Draco, Although we are an island race, few are fortunate to live near enough to the sea to use the shoreline as a regular magical working area. And yet for the natural witch, born and bred by the sea, the beach and rocky shore are equally as magical as the inland woods and hills of more traditional approaches to witchcraft. The author takes us on a magical journey along the seashore and reveals how to work with the natural oceanic tides and energies. Learn how to harness the powers of the deep, and collect flotsam and jetsam for use as ritual tools. A book like no other.
