Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Pan Macmillan. Hardback. Book Condition: new. BRAND NEW, King and Maxwell (Main Market Ed.), David Baldacci, Former secret service agents turned private investigators, Sean King and Michelle Maxwell, return in their most surprising, personal and dangerous case to date. King and Maxwell is the explosive finale to David Baldacci's phenomenal series. Michelle had chased many things in her life. As a track star and later Olympic rower, she had constantly pitted herself against others in races. As a cop in Tennessee she had run down her share of felons fleeing the scenes of their crimes. As a Secret Service Agent she had been fleet of foot next to limos carrying important leaders. Tonight, though, she was competing against a long-legged teenager with the boundless energy and fresh knees of youth who had a substantial head start and was running like the devil was on his heels. King and Maxwell encounter teenager Tyler Wingo when he has just received the tragic news that his soldier father has been killed in Afghanistan. But then Tyler receives an email from his father .after his supposed death. Sean and Michelle are hired to solve the mystery, and their investigation leads to deeper, even more troubling questions. Could Tyler's father really still be alive? Was his mission all that it seemed? Has Tyler's life been a lie, and could he be the next target? It's clear that King and Maxwell have stumbled upon something even more sinister when those in power seem intent on removing them at any cost. Determined to help and protect Tyler, their search for the truth takes them on a perilous journey which not only puts their lives at risk but arrives at a frightening conclusion. Acclaim for David Baldacci 'The page-turner of the season' The Times 'Baldacci is still peerless'...
