Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dominic Collins)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Plagiarised Thoughts: Essays, Quotes, Notes, Aphorisms and Mediocre Philosophical Reflections; is a work pertaining to the nature of the study of philosophy, the cognition behind theology and religion (in a wonted, typically derisive vein), cognitive science and evolutionary psychology, literary theory, environmentalism, absurdism, cosmology, critiques of existentialism, Dostoyevsky, Schopenhauer, Albert Camus, Russell, Kierkegaard, Nietzsche, aesthetics and the nature of cliché, psychoanalysis and Ernest Becker, psychiatry, Foucault, sociology, semiotics, quietism, the philosophy of politics, music, the function of institutions in relation to the study of philosophy, Roland Barthes, and the nature of revolt in history. It is, of course, highly opinionated. But neutrality is not objectivism. The work is a sporadic discourse, rife with emotional contention, polemical tendency, heretical apparatus and anti-Utopian repetition. In spite of that, a cause of pride is that the work does not, despite tone, act prophetically or with dogmatic insistence - it is a verse of venting for one's own sake. To write for oneself [c.f. Montaigne].
