REVEALED SECRET WISDOM OF SUCCESSFUL COMMUNITIES AND CULTURES

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 164 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. We know that the only constant is change which is responsible for enriching the life of people and propelling humanity forward. Trends define the demands of people for new products and services which keep changing with time. Companies put huge resources and funds in research and development to create new products and capture the market share in their industries. New technologies keep evolving which augment performance of people by improving connectivity, providing new tools and knowledge sharing. Companies keep working on new business models for their companies to adjust to the changing times. Individuals also change with time. The environment affects their behavior and their views about the world. People have evolved with time and have adopted new ways to present and express themselves. The fashion keeps changing fast, carrying a large number of people with it. Society has itself changed a lot and has affected the people in one way or the other. The family system has graduated to a new level and many previously unacceptable practices have gained acceptance in the society. Various micro and macro factors keep influencing the way people live in the society affecting their decisions and actions. Experiences are one of the biggest drivers of change; laws are modified based upon their desired impact in the society. Constitutions are amended based upon the demands and expectations of the citizens of the country. But there is something which never changes and remains universal to humanity. These are the set of rules for humans which remain true and deliver results in every era and at every place. They are simple to understand and have straight interpretation. Successful people in every generation have quoted them...
