Full Circle, New Delhi, India. Softcover. Book Condition: New. The origins of Reiki go back to the Buddhist tradition in the distant past. One of the forms of Buddha revered in Tibet and China was the "Healing Buddha". Esoteric meanings are associated with the Reiki symbols and principles. These meanings originate in the Buddhist concepts of Healing. While Dr. Usui rediscovered Reiki by studying Buddhist sutras, much of the hidden, esoteric sense has been overlooked in the subsequent teaching of Reiki to Christian practitioners in the West. The underlying symbology and esoteric sense provide new deeper understanding to the action and principles of Reiki and can enhance the practice, regardless of your own particular religious or philosophical background. Reiki and the Healing Buddha reconnects Reiki with its Buddhist antecedents and provides both the experienced practitioner and the interested lay person with new insights and view-points on Reiki. "An important, well-written book, providing an essential contribution toward the discovery of the path of Reiki founded by Dr. Mikao Usui." Walter Liibeck, Reiki Master and bestselling author of The Complete Reiki Handbook. Maureen Kelly is a Reiki Master residing in New Zealand. She was the editor and publisher of "Reiki News", a newsletter for Reiki practitioners in New Zealand. She has been delving deeply into the Reiki history and background in her pursuit to again a deeper understanding of where Reiki originated. This book is the result of her intensive research into the history and background of Reiki.
