Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a play write about how God views his people. It is Fictional yet reasonably accurate and the basic concept is correct. the story is used to illustrate how the diversity of cultures have been used to turn away from God and this is not his first human experiment. It is based on the scriptures of the Bible which support the Davidic Kingdom and the essential death of Jesus Christ to help heal those who seek to be part of this Kingdom. the essential attitude is that love of God and self and others is earned and conditional and unconditional love and trust will always lead to corruption. the basic premises of the next Kingdom will be different and will not allow a satanic system to exist. The Holy Spirit will confirm the truths within the stories if you pray and ask this of God. the Kingdom of God is near and the Wrath of God is required. Love You. David Packer, MD.
