Tate Publishing. Paperback. Book Condition: New. Perfect Paperback. 148 pages. Dimensions: 8.1in. x 5.2in. x 0.5in. Do you lead a Christ-centered lifestyle outside the walls of the church? This is the question that we should be asking ourselves on a regular basis. Too often we claim to be a representative of Christ when in reality our walk could not be anything further from the truth. We live in a cynical time where we applaud people for wearing a form of holiness coupled with a heavenly facade that they choose to slip on and off depending on their environment. They behave like chameleons, in which their outer shell allows them the opportunity to camouflage itself within its surroundings. The major difference is that God is tired of us blending in and not being genuine. He is able to see us in our nakedness, and there is no place of escape or mask large enough to hide behind. *Dead Christians Walking* will help you identify with your true self, challenge you to stop compromising your Christianity, and move you past religion into relationship, all while allowing God to resurrect your lifelessness and make you an effective witness in the earth. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Perfect Paperback.
