We live in a universe that is seeing mankind evolve from the fear-driven Homo sapiens into the love-driven Homo spiritus. Marvelous changes are rippling through society and will affect you greatly. Your destiny is that you become as great as you can be in those areas where you can contribute to the betterment of mankind, as well as of the universe and this beautiful blue planet that gives us life. Unfortunately those who are in positions of power, and those with riches, live in fear and do not trust the great, so there are many roadblocks in place to hold you back. That makes becoming great a bit more difficult, but it is still your destiny. Learning to become great is somewhat similar to most learning but we must find ways to find and train under teachers who share our desires and are current in the new ways of learning, teaching and guiding their students to develop into more that they could previously have become. This changed landscape includes a realization that we are spiritual beings having a human experience and that we can be much more than we have dreamed that we can be, until quite recently. Acting on the new understanding requires that we access our entire being and understand how limited is our conscious mind and how much more powerful is our subconscious mind, including our ego and all of its protection actions that do not serve those who would push the limits of what humans can do. So, we must learn how to transcend the ego (not fight it), come to grips with the difference between what we are told about our limits and...
