

Adventures with Ari: A Puppy, a Leash & Our Year Outdoors

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

Skyhorse Publishing. Paperback. Book Condition: new. BRAND NEW, Adventures with Ari: A Puppy, a Leash & Our Year Outdoors, Kathryn Miles, "Charming, rich, intelligent and best of all, on every page Kathryn Miles displays her love for Ari and dogs of every kind." - Jeffrey Moussaieff Masson, author of When Elephants Weep When Kathryn Miles adopts Ari, an exotic Jindo dog, the two of them begin to explore the outdoors together. A dog sees the world quite differently from a person. For starters, he or she is much closer to the ground-to what we've been trying to preserve more and more of these days. A dog is the original environmental activist: the sights, sounds, and smells of nature are what make a dog a dog. If you want to learn more about nature, try enjoying life like a dog. Kathryn Miles decides to do just that when she becomes determined to let Ari live life on her own terms. Once some basic ground rules are set, Kathryn takes the leash off her dog and the blinders off her own eyes. A new world soon emerges: she and Ari explore a backyard landscape of grass, mud, snow, trees, and the occasional fox. They find the scent of a northern wind, the footprints of a startled raccoon, and other secrets of the natural world. The puppy's free-spirited outlook teaches Kathryn to see more when she might otherwise have seen less, while adding a certain excitement and clarity of vision. Soon, Kathryn begins to give up control and experience the world as Ari learns it. Peppered with factual information about our natural world and the creatures that inhabit it, Adventures with Ari makes compelling reading for dog lovers as well as anyone who's been out and about in the woods. Like most projects of discovery,...
