

The American Crucible: Slavery, Emancipation and Human Rights (2nd Revised edition)

By Robin Blackburn

Verso Books. Paperback. Book Condition: new. BRAND NEW, The American Crucible: Slavery, Emancipation and Human Rights (2nd Revised edition), Robin Blackburn, For over three centuries, slavery in the Americas fuelled the growth of capitalism. The stirrings of a revolutionary age in the late eighteenth century challenged this "peculiar institution" and set the scene for great acts of emancipation in Haiti in 1804, in the United States in the 1860s, and Brazil in the 1880s. Blackburn argues that the anti-slavery movement helped forge the political and social ideals we live by today.

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.
