A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

THE FOOTBALLER S DESIGNER BABY

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Cameron Kane is currently the hottest property in the NFL. His life is dedicated to becoming the best of the best and he does not want anything to get in the way of that. Therefore, he sees dating women as a distraction and one that would potentially make him lose focus on his aim of becoming the best of the best. However, he knows that one day he will have to hang up his boots and he desperately wants a son to be able to follow in his footsteps. When Cameron hears about a designer baby clinic that will allow him to choose the sex of his baby and ensure the baby is healthy, he is excited about the prospect. He can be guaranteed a perfectly healthy baby boy without all the baby mother hassle. Delilah is the cute and curvy college student who is set to be the surrogate for the football star s designer baby. As soon as Cameron sets his eyes on her, he knows she is the perfect woman for this. The arrangement is simple, \$500k and she will hand the baby over after birth with no further contact. No phone calls, no emails, no contact whatsoever. However, when tragedy strikes, it promises to turn this simple arrangement on its head as Cameron and Delilah find themselves getting closer than was ever laid out in the contract.
