BRAND NEW, Winning Through Intimidation: How to Be the Victor, Not the Victim, in Business and in Life, Robert Ringer, Why, after more than three decades, is "Winning through Intimidation" still one of the most talked about personal-development books of all time? Because it teaches you, in straightforward, easy-to-understand terms, how to defend yourself against the intimidators of the world. As you'll discover inside: The results a person obtains are inversely proportionate to the degree to which he is intimidated; and it's not what you say or do that counts, but what your posture is when you say or do it! If you heed the truths set forth in "Winning through Intimidation," there will be fewer occasions when you find yourself scratching your head and trying to figure out why a situation you thought you had under control ended up falling apart at the seams. By learning and implementing the unique ideas, strategies, and techniques that Robert Ringer teaches in "Winning Through Intimidation," you'll be in a position to join the millions of entrepreneurs, business owners, and individuals in all walks of life who have elevated their business and personal lives to a whole new level of success.
