Are you having fun and raking in the profits? Or, are you on a treadmill of too much work with too little reward? Business is booming, but at the end of the month, you haven't made any money! There is nothing left in the checking account, and there is a stack of unpaid bills on your desk. WHAT HAPPENED This book will teach you the basics you need to keep track of your business. Find out where the money goes, and learn how to make more of it. The information I share in this book, we should've learned in sixth grade. I didn't. I didn't even learn business basics in college, and I graduated at the top of my class with a degree in Business Administration.
