Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Miniature game enthusiasts and hobbyists alike will enjoy this issue, as that we have packed it with loads of information and skills from a host of different industry professionals. Each issue of Ravage US helps build a new atmosphere for the miniature game industry. We publish it to give different gaming companies a chance to open their minds and share with readers all over the world. This magazine offers information from miniature companies that readers would not otherwise ever see. This is what Ravage means to the industry as a whole â a common ground where all miniature games, gamers and designers can come together to combine forces for the better of gaming everywhere. Ravage US #2 contains an array of articles filled with great information. This issue contains interviews with Manticâs makers of games like Dwarf Kingâs Hold and Warpath, a great look at how to achieve some amazing artistic effects on miniatures, reviews of new gaming products hitting the market, a never-before seen peek at some rules found in the upcoming Dark Age: Devastation, and Cool Mini or Notâs...
