

The Bad Easter Bunny

By Isabel Atherton

Skyhorse Publishing. Hardback. Book Condition: new. BRAND NEW, The Bad Easter Bunny, Isabel Atherton, The Easter Bunny is tired of being taken advantage of. Children swarm him for candy and never seem to notice his generosity. It's gotten so bad, in fact, that the Easter Bunny's beautiful pink fur has started to change a variety of colors, from a sad blue to an irate red! And he's had enough. He's decided to become the Bad Easter Bunny (aka BEB) and to start wrecking havoc all around town. Easter will not be a pleasant time this year for the children unless BEB is able to cool his temper. All it takes, in the end, is a simple "thank you" from a little girl to start BEB back on the right track. They share some chocolate and soon, the Easter Bunny is back, pink fur and all. And children have learned the importance of being gracious and saying the magic words.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
