What questions would you want to ask? What stories would you want them to tell? What lessons could you learn? It isn't possible to bring a loved one back from the grave, but what about those you still have with you? After they are gone will your heart still yearn to hear their voices? Are there memories and stories they have shared you would like to hear again? What lessons could your children learn from them? What if it were possible to preserve those priceless memories and lessons for generations to come, even after they are gone? In the easy to read, easy to understand book *Compassionate Estate Planning*,...
