

The Little Book of Big Management Theories: . and How to Use Them

Filesize: 4.04 MB

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

THE LITTLE BOOK OF BIG MANAGEMENT THEORIES: . AND HOW TO USE THEM

Pearson Education Limited. Paperback. Book Condition: new. BRAND NEW, The Little Book of Big Management Theories: . and How to Use Them, Jim McGrath, Bob Bates, Winner of the 'Practical Manager' category at the Chartered Management Institute Management Book of the Year Awards. The Little Book of Big Management Theories was praised by judges for being relevant, highly readable and refreshing in its approach - useful to experienced and new managers alike. Covering 89 management theories, it provides a summary of each theory, a guide of how to use it and a list of questions to ask, making it an ideal reference book. Rebecca Taylor, the Dean and Director of Studies at the Open University Business School, explained why the book deserved to win: "This book was a delight to read and was a highly refreshing approach to the world of management. The 'big' ideas have been boiled down into easily-digestible chunks that are perfect either as an introduction or a refresher for the more experienced manager. The personal writing style and lack of preaching makes it a brilliant desk-side companion for a manager of any level, and I highly recommend it." 89 management theories from the world's best management thinkers - the fast, focussed and express route to success. As a busy manager, you need solutions to everyday work problems fast. The Little Book of Big Management Theories gives you access to the very best theories and models that every manager should know and be able to use. Cutting through the waffle and hype, McGrath and Bates concentrate on the theories that really matter to managers day-to-day. Each theory is covered in two pages - telling you what it is, how to use it and the questions you should be asking - so you can immediately apply your new...
