This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

LOST PLANET

Titan Books Ltd. Hardback. Book Condition: new. BRAND NEW, Lost Planet, Guillaume Dorison, Massimo Dall'Oglio, The planet of E.D.N. III seemed ripe for colonization - its icy climes ready to be warmed and terraformed. That was, until the first settlers discovered the indigenous Akrid - ravenous creatures, powered by their own thermal energy, who proved resistant to every weapon the colonists could muster. That first terraforming effort ended in tragedy, with the colony - and its rich haul of terraforming equipment - hastily abandoned. Now, looking for an easy mark, the ragtag crew of the pirate vessel Crusader have set course for E.D.N. III, looking to pillage these tempting resources, before NeoVenus Construction (NEVEC) can swoop in and reclaim their investment! But E.D.N. III takes coldly to strangers, and the Akrid are ready to welcome them into their fearsome embrace. Fans of the "LOST PLANET(R)" series, and star-spanning science fiction, shouldn't miss out on this vibrantly-illustrated, self-contained epic. Who will live? Who will die? And what dark secrets of E.D.N. III will be revealed in the process?.
