Home of Paris and Provence. Land of amazing food and the Eiffel Tower. Host to much of the worlds best art. Endowed with a rich tradition of childrens songs and rhymes. In this book weve gathered over 50 of Frances best-loved traditional childrens songs, presented in their original French language and with translations into English. Many have commentary sent to us by our correspondents who are immersed in the traditions and culture of France. Youll find well-known songs like Frre Jacques, Alouette and Au clair de la lune, alongside many you may never have heard of. These songs are still sung today, but many hark back to Frances rich history. A time when church bells were still used to tell the time, as in Frre Jacques. A romantic time when knights roamed the land looking for love, as in Compagnons de la Marjolaine. If youre not a native youll have a chance to learn the songs that every French child knows and loves. At the end of each item in this book, theres a web address to an online version of the song or rhyme. There we are often able to include sheet music, recordings and videos of performances. We hope this book will help foster a love of French songs and culture all over the world! This book includes: -French songs, rhymes, and carols -Each in the original language and with translations into English -Commentary from ordinary people about what the songs have meant to their lives -Web links to recordings and sheet music - Illustrations This item ships from La Vergne, TN.
