## STATISTICAL TOOLS FOR MANAGERS: USING MS EXCEL

Excel Books, 2009. Softcover. Book Condition: New. First edition. 20 x 11 cm. This book covers the topics on probability and statistics mostly used for managerial decision making. The book uses a practical approach in explaining these subjects, so as to be equally suitable for the students with different backgrounds from commerce to computer engineering. This book not only explains the concepts but also provides a variety of solved problems that are necessary while preparing for the examinations. This would...

### Reviews

---

*It in a single of the best publication. Sure, it is play, continue to an interesting and amazing literature. You will not really feel monotony at whenever you want of your time (that's what catalogues are for about in the event you question me).*

-- **Sonia Block I**

*This is the greatest pdf i actually have go through right up until now. It is actually packed with knowledge and wisdom I found out this book from my dad and i advised this publication to find out.*
