E-Booktime, LLC, United States, 2007. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Do we use the name of Jesus as an escape goat to do what we know we should not do? Can we continue to commit sin and believe that we cannot be punished for it because we are Christians? Does anyone understand the bible or feel that they need to follow the Ten Commandments? This book is a powerful supplement to the bible! It is a book that should be read by all Christians and non-Christians alike. It explains the Resurrection, the Crucifixion, Satan s temptation, women in God s eye, Church and Separation of power. Why bad things happen to good people, why there are Tsunamis, Katrina storms, and how Revelation is knocking at our door. Why the bible tells us that Jesus told his followers to pick up snakes and drink of deadly poisons. Why are some people born mentally or physically deformed. Why are some people filthy rich, while others are starving dirt poor. Can a sinner become a saint, and a saint becomes a sinner. For many shall come, but few shall be chosen. All mankind shall reap what he sows. It is said that he who seeks shall find, but do we know what we seek and are we looking in the right places. How can we tell if we are doing what God ask of us? Do you understand Heaven and Hell, Judgment Day, and what you are being taught in your religion and how it came about. Jesus is no excuse is a supplement to the bible that will make all things clear that we have never understood. Not until now has anything ever been written or has been found...
